PUBLIC ADVERTISEMENTS

OFFICE OF THE PUBLICITY OFFICER TO THE GOVERNMENT OF MYSORE, PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 24th May 1949.

In their Press Note dated 29th April 1949, Government announced their intention to bring the Civil Station under the Mysore Educational System from the year 1949-50 and to afford certain educational concessions to the students of that area. While the general policy as announced still remains, attention of Government has been invited to the clarification of some specific points. In respect of the levy or otherwise of fees in Primary and Middle Schools, it is noticed that the position has not so far been uniform in all the Schools. The managements of several private institutions have represented that a sudden change in this behalf will considerably up set the working of their Institutions. Having considered all aspects of the matter bearing on this topic, Government wish to proceed on the following lines:—

(1) Regarding the Lower Elementary Schools (corresponding generally to the Primary Schools in the State) managed by the Municipal Commission, there are 35 of them in independent status (which are not attached either to a Higher Elementary School or to a High School). These will be taken over by the Government and run free, subject to the levy of the Education Cess by the Municipal Commission.

(2) There will however be five other Lower Elementary Schools attached to the Municipal High School and the Municipal Higher Elementary Schools. As they are not independent Institutions, the question of their control will be settled in consultation with the Municipal Commission. If the Municipal Commission agrees to retain them, Government will pay grants as in the case of other aided Institutions in the State.

(3) With reference to the Higher Elementary Schools (corresponding generally to the Middle Schools in the State) maintained by the Municipal Commission as well as the Lower Elementary, Higher Elementary, and Middle Schools run by private bodies and individuals, the *status quo* will continue. The management will be given the option either to continue the levy of fees and receive grants under the provisions of the Grant-in-aid Code the Civil Station or to discontinue the levy of fees but to recive grants under the provisions of the Grant-in-aid Code in force in the State.

(4) The High Schools run by the Municipal Commission and otherwise will continue for the present on the same terms and conditions as in previous years.
